

## **Informations about the homework**

There will be 2 homeworks during the semester. Both homeworks contain 10 exercises for 0.5-0.5 points. For the signature the students are required to collect 60% of the homework marks, so minimum 6 points. (It is not needed to get 3 points in both homeworks.)

Additional points can be obtained for excellent solutions of the homework or if you write it in Latex, but you cannot get more than 5 points for a homework.

The deadlines: October 4 (Thursday), November 15 (Thursday) on the practical lecture in paper format or send your solution to [szokemarton3@gmail.com](mailto:szokemarton3@gmail.com) at the latest on these days.

If you have questions about the homework, write to [szokemarton3@gmail.com](mailto:szokemarton3@gmail.com).
